PROFESSIONAL EXPERIENCE

Operations Manager <i>CloudClerks BPO Inc.</i> - Managed day-to-day BPO operations across multiple client campaigns, including staffing, scheduling, attendance, performance monitoring, and operational reporting. - Coordinated with clients, team leaders, trainers, HR, and support teams to meet campaign requirements and resolve service-delivery concerns. - Oversaw payroll and timekeeping workflows, data accuracy, disputes, cutoff preparation, and employee documentation. - Created and improved SOPs, reports, internal workflows, and HRIS/timekeeping processes to support consistent operations.	May 2026 - Sep 2026
WYBOT Technical Support <i>Freelancer</i> - Provided customer support through phone, chat, and email for robotic pool cleaner products. - Diagnosed charging, navigation, suction, maintenance, and device-usage issues and guided customers through step-by-step troubleshooting. - Handled order tracking, warranty claims, replacement requests, and customer follow-ups while working toward CSAT, AHT, and resolution targets.	Dec 2025 - May 2026
Account Manager - Bartercard AU <i>Freelancer</i> - Managed 400+ Australian SME clients, supporting account growth, order processing, CRM updates, transactions, and documentation. - Prepared quotations and handled account follow-ups by confirming supplier pricing, MOQs, timelines, margins, and pipeline activity in Syncore.	Jun 2025 - Dec 2025
Executive Assistant - Supplier Success Professional (Avetta) <i>Cloudstaff PH</i> - Managed opportunities, validated supplier pricing, and supported quotation workflows within a supply-chain network. - Matched client requirements with qualified suppliers and maintained CRM records, account updates, invoicing coordination, and cross-team communication.	May 2024 - May 2025

EARLIER EXPERIENCE

Key Performance Leader (Arrivia)

Jun 2023 - May 2024

Cloudstaff PH

- Led and supervised sales agents handling cruise quotations and bookings, with focus on pricing accuracy, service quality, and revenue performance.
- Reviewed pricing and profit-related adjustments and monitored KPIs including sales conversion, revenue, CSAT, and adherence.
- Provided coaching and performance feedback and trained 50+ agents on quoting workflows, pricing standards, and system navigation.

Customer Service Representative (Arrivia)

Aug 2021 - May 2023

Cloudstaff PH

- Supported customers through inbound calls, email, and chat for travel reservations, membership inquiries, and product support.
- Resolved complaints and service issues, processed transactions, updated customer information, and documented interactions in CRM systems.
- Collaborated with Sales, Technical Support, and Escalations while contributing to upsell and cross-sell targets.

Order Entry Specialist / Customer Service

Nov 2020 - Aug 2021

Eastwest BPO Inc.

- Processed customer orders and generated quotations in Salesforce CRM, verifying product details, quantities, and pricing before finalization.
- Maintained accurate order records and documentation and supported customers through calls and email.
- Identified upsell and cross-sell opportunities while protecting pricing accuracy and order quality.

Technical Support - Comcast

Oct 2019 - Apr 2020

Startek Philippines

- Guided customers through setup and installation of Comcast Prepaid equipment and provided basic remote troubleshooting.
- Handled connectivity, device compatibility, and application support concerns and documented interactions accurately in CRM tools.

Customer Service - Amazon (Seasonal)

Feb 2019 - Aug 2019

Sutherland

- Assisted Amazon customers through chat, phone, and email with product, service, and technical concerns.
- Documented cases accurately and supported customer satisfaction through proactive communication and follow-up.
